## **Ford Falcon & Fairlane Automotive Repair Manual**

"Chest pain can be terrifying. Many people panic, or hope that if they ignore it, it will go away. But angina must be taken seriously - and in addition to taking medical advice, it's important to find out what you can do about it, and what you can do to help yourself reduce the risk of a heart attack." "This book answers key questions for anyone worried about angina: What is it, and why is it happening? Does it mean I'm going to have a heart attack? What should I do when I have chest pain? How do I tell if it's serious?" "Living with Angina is also packed with useful advice about what you can do to deal with high cholesterol or high blood pressure, develop a sensible exercise program, and make crucial lifestyle changes that will help you live life to the full."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
