

# FILE PDF THE MISSION OF WANG HIUEN TSE IN INDIA 2ND EDITION

## **The Mission of Wang Hiuen Tse in India**

A richly complex study of the Yogacara tradition of Buddhism, divided into five parts: the first on Buddhism and phenomenology, the second on the four basic models of Indian Buddhist thought, the third on karma, meditation and epistemology, the fourth on the Trimsika and its translations, and finally the fifth on the Ch'eng Wei-shih Lun and Yogacara in China.

## **Buddhist Phenomenology**

A special agency of censors was also organized for the purpose of enforcing the regulations concerning the sanctity of animal life and the observance of filial piety, in the most extended sense. These officers were expressly enjoined to concern themselves with all sects, and with every class of society, not excluding the royal family, while separate officials were charged with the delicate duty of supervising female morals. In practice, this system must have led to much espionage and tyranny] from Chapter VII: Asoka Maurya and His Successors First published in 1906, this classic nine-volume history of the nation of India places it among the storied lands of antiquity, alongside Egypt, China, and Mesopotamia. Edited by American academic ABRAHAM VALENTINE WILLIAMS JACKSON (1862-1937), professor of Indo-Iranian languages at Columbia University, it offers a highly readable narrative of the Indian people and culture through to the time of its publication, when the nation was still part of the British Empire. Volume II, From the Sixth Century B.C. to the Mohammedan Conquest, Including the Invasion of Alexander the Great, by British scholar VINCENT ARTHUR SMITH (1848-1920), features entertaining and enlightening treatments of: [ the dynasties before Alexander [ Alexanders Indian campaign [ imperial monarch Asoka Maurya [ the Indo-Greek and Indo-Parthian dynasties [ the Gupta Empire and the white Huns [ the reign of Harsha [ the medieval kingdoms of the north [ and much more. This beautiful replica of the 1906 first edition includes all the original illustrations.

## **History of India, in Nine Volumes: Vol. II - From the Sixth Century B.C. to the Mohammedan Conquest, Including the Invasion of Alexander the Great**

Ancient Indian history has always been mystical; more so a virtual utopia for historians and researchers. This scholarly text narrates the ancient Indian history from the genesis of civilisations to the early middle ages. It examines the sources, chronology of civilisations and authoritatively details the facts, feats, triumphs and religious crusades of the period. It unveils the rich cultural, religious and social diversity that is uniquely and peculiarly Indian. The book is of immense use to students and scholars of history and for candidates preparing for civil services examinations.

## **Ancient India**

Ancient Indian history has always been mystical; more so a virtual utopia for historians and researchers. This scholarly text narrates the ancient Indian history from the genesis of civilisations to the early medieval ages. It examines the sources, chronology of civilisations and authoritatively details the facts, feats, triumphs and religious crusades of the period. It unveils the rich cultural, religious and social diversity that is uniquely and peculiarly Indian. The book is of immense use to students of arts and law courses as well as for candidates

preparing for various competitive examinations.

## **Ancient India**

Man has been intrigued by the origin of pearls, sensitive to their beauty, & convinced of their medicinal value for at least five millennia. A mixture of folklore & observation preceded the earliest scientific inquiries. Fishing & trade commenced in southern Asia, between India & Sri Lanka & around the Persian Gulf. In Western & Central Europe, Inner Asia & China, & North America, freshwater pearls were probably known & treasured before those of marine origin. R.A. Donkin combines written sources with the results of archaeological & philological research. A refined nomenclature lends support to other evidence pointing to long familiarity, & etymologically related words for 'pearl'- reflecting former trading connections or colonization. Pearls were prominent among the luxury products which, for many centuries, the West associated with the legendary East & South; conversely, the Chinese looked to the West & South. From the opening of the Age of Discoveries & for the next two & a half centuries marine pearls were high among the objectives of expeditions to the eastern & western Tropics. The often remote centers of demand were affluent & culturally advanced societies where dealers & purchasers exercised fine judgment in matters of shape & color & iridescence, as they continue to do today. *Beyond Price: Pearls & Pearl-Fishing*, organized both chronologically & by region is called by reviewer, James Parsons, \"the crowning achievement of a world-class scholar....The folklore regarding pearls has created an endlessly imaginative literature, here analyzed meticulously.\" The book is enhanced with over 100 maps & illustrations.

## **The Early History of India. 2nd Ed**

A Single-Volume Study Of Ancient Indian History Delineating The Various Facets, Both Political And Cultural, And Incorporating The Fruits Of Recent Researches That Have Abundantly Appeared Since 1950, Has Not Been Attempted Before. ## **Beyond Price**

Commemorative volume in honour of late Hariprasanna Das, b. 1924, Indian geographer; contributed articles.

## **Ancient Indian History and Civilization**

This is a comprehensive, intelligible and interesting portrait of Ancient Indian History and Civilization from a national historical point of view. The work is divided into three broad divisions of the natural course of cultural development in Ancient India: (1) From the prehistoric age to 600 B.C., (2) From 600 B.C. to 300 A.D., (3) From 300 A.D. to 1200 A.D. The work describes the political, economic, religious and cultural conditions of the country, the expansionist activities, the colonisation schemes of her rulers in the Far East. Political theories and administrative organizations are also discussed but more stress has been laid on the

religious, literary and cultural aspects of Ancient India. The book is of a more advanced type. It would meet the needs not only of general readers but also of earnest students who require a thorough grasp of the essential facts and features before taking up specialized study in any branch of the subject. It would also fulfil the requirements of the candidates for competitive examinations in which Ancient Indian History and culture is a prescribed subject.

## **The Great Indian Corridor in the East**

The Book Narrates The Early History Of India Beginning From 600 B.C. To The Muhammadan Conquest Including The Invasion Of Alexander The Great. It Is A Highly Analytical Work. The Book Would Be Highly Interesting And Of Great Value For The Students, Teachers And Researchers Of Indian History.

## **Ancient India**

In the present work, Professor D.C. Sircar deals with various problems relating to Indian epigraphy, and it is expected to be useful to people interested in ancient Indian history in general and Indian inscriptions in particular. Some of the topics discussed herein are: inscriptions and their evidence, languages in which the inscriptions are written, writing materials, the preparation and preservation of documents, copperplate grants, stanzas on bhumi-dana, Indian epigraphy abroad, systems of dating and the different eras, technical expressions including royal titles and official designations, taxes, land measures, nomenclature, etc. There are thirty-six plates illustrating various types of epigraphical records.

With Forward By C.G. Bruce. Illustrations From Photographs By Author.

## **Indian Literature Abroad (China)**

History of India, 4th-6th century.

## **Indian Epigraphy**

Kanauj is of high antiquity and renown. Founded long before the dawn of the Christian era, it first rose to importance in the sixth century a.d. when it became the capital of the Maukharis and when it grew rapidly in authority and influence till its conflict with later Guptas. This followed Harsa of Thanesar assuming control of affairs in Kanauj. Harsa's death plunged Kanauj into anarchy and darkness that lasted for about half a century. However, as a result of the protracted campaigns of the next rulers, Pratiharas, Kanauj grew to enormous dimensions comprising territories as widely apart as Saurashtra and North Bengal, Magadha and Rajputana till it fell from its high position because of armed adventures of Mahmud and then Sihabuddin Ghori. History of Kanauj presents, in short the story of this ancient realm which is full of political vicissitudes and ephemeral grandeur.

On Har'avaradhana, King of Thanesar and Kanauj, fl. 606-647, and the contemporary polihistory of Northern India.

## **Indian Literature Abroad**

History of India to 1707.

## **Ancient India**

During the June 2020 territorial dispute over Kalapani, India blamed tensions on a newly assertive Nepal's deepening relations with China. But beyond the accusations and grandstanding, this reflects a new reality: the power equations in South Asia have been redrawn, to make space for China. Nepal did not turn northwards overnight. Its ties with China have deep historical roots built on Buddhism, dating to the early first millennium. While India's unofficial 2015 blockade provided momentum to the rift with Delhi, Nepal has long wanted deeper ties with Beijing, to counteract India's oppressive intimacy. With China's growing South Asian and global ambitions, Nepal now has a new primary bilateral partner—and Nepalis are forging a path towards modernity with its help, both in the remote borderlands and in the cities. All Roads Lead North offers a long view of Nepal's foreign relations, today underpinned by China's world-power status. Sharing never-before-told stories about Tibetan guerrilla fighters, failed coup leaders and trans-Himalayan traders, Nepal analyst Amish Raj Mulmi examines the histories binding mountain communities together across the Sino-Nepali border. Part history, part journalistic account, Mulmi's is a complex, compelling and rigorously researched study of a small country caught between two neighbourhood giants.
